

Indian Hill Historical Society  
**Educational Outreach**

In addition to the monthly programs, the Society is active with education outreach through:

**4<sup>th</sup> Grade One Room Schoolhouse Experience:**

Starting in 1992, each year the Society hosts local 4<sup>th</sup> graders at the Little Red Schoolhouse so they may experience what it was like to go to school in the 1800s.

- Ringing the school bell to welcome the students
- Having an interactive session with the students about the history of Ohio and Indian Hill
- Experiencing 5 stations:
  - Reading from McGuffey's Reader
  - Writing with dip-ink pens
  - Working math problems on small slates
  - Identifying tools and household items from the 1800s
  - Playing marbles

**Indian Hill Bulletin** publishes monthly historical topics researched and written by Society staff.

**Quarterly newsletters** cover a wide array of topics related to the Indian Hill Historical Society and history and are written by Society staff.

The Annual **Authors Series**, in coordination with Cincinnati Country Day School & Indian Hill High School, brings an author known for historical writings for lectures / presentations which are open to the public. Additionally, the author typically meets with students for a presentation and Q&A discussions. The inaugural event was in 2022.

**Presentations to local groups**, usually about a local historical topic, are given by Society staff.
