

FOUNDING MEMBERS OF THE INDIAN HILL HISTORICAL SOCIETY

The Indian Hill Historical Society/ Indian Hill Historical Museum Association was initially supported by a group of over 100 families who were Founding Members. Each household contributed \$100 within the first year (February 1974- February 1975) toward establishing a fund to restore the Little Red Schoolhouse. These founding members are recognized permanently at the Little Red Schoolhouse where their names can be seen in preserved calligraphy on the blackboard located in the vestibule.

Their names are listed below, and their contributions back then have had a lasting impact on the community.
