

Regents

(formerly Honorary Trustees)

On 1/6/1976 The Board of Trustees initiated a class of Honorary Trustees. This class was designed for retiring Trustees who are interested in remaining active, but they would be without voting power.

On 4/11/1995 the IHHS Board adopted a plan to replace the Honorary Trustee designation with "Regent." Regents may attend Board meetings but do not have a vote. Regents are encouraged /expected to attend several Board Meetings per year.

As of July, 2017, the following individuals are Regents:
